

Environment & Ethics Representative

Aim

The role aims to represent student interest in the environmental impact of Hull University Union and the University of Hull and the associated ethics of their practices to ultimately improve the sustainability of both entities.

Key responsibilities

- Inform students on issues of environmental impact, ethical issues locally, regionally and nationally;
- Participate in relevant university and union working groups pertaining to issues of sustainability and environmental impact;
- Organise and run campaigns to lobby for change in practices by Hull University Union and the University of Hull;
- Work towards Hull University Union leading the student union movement in both innovation and participation on environmental and ethical issues.

Useful skills or characteristics

- Passionate about the environment and ethical issues
- Have a wide outreach with the student body
- Effective time management
- Be adaptable and communicative
- Good organisational skills
- Creativity

Skills you can expect to learn and develop

- General communication and liaison skills
- Experience organising events and running campaigns
- Representation and lobbying for change
- Confidence in speaking in forums and meetings

Expected time commitment

On average you will spend between 6-8 hours a week on this role. Some weeks will be more demanding than others.

Further questions

Please email the responsible President, Andrew Costigan on a.costigan@hull.ac.uk if you have any questions about the role.
