GIVE IT A GO – IT'S NOT TOO LATE!

Our Give It a Go programme is packed full of fun activities, events and experiences for every single one of our University of Hull students! We offer a wide range of events that are categorized below:

CREATE – for the crafters.

TASTE – for the food lovers.

EXPLORE – for the adventurers.

ESCAPE – for the thrill seekers.

ACTIVE – for the sports people.

As we are a not-for-profit organisation, we subsidise all of our Give It a Go activities by up to 50% - this means that you can try something for half its original price. All you have to do is choose what you'd like to do, book a ticket, come along and enjoy!

This means that if you are a member of a society, fetch your members along to our events as it works out much cheaper for you!

For more information and a list of our events, visit hulluniunion.com/join-in/giag

OPPORTUNITIES

RAISING AND GIVING (RAG)

RAG is the Union's resident fundraising team, assisting student groups across the university with fundraising events and organising our own such as RAG week and the Christmas fair.

As a standing committee we have the ability to change lives by supporting charities and raising money towards good causes. Also by taking part in our challenges there is the opportunity to raise money while challenging yourself with events like the three peaks challenge or climbing to Everest base camp. You can join in by becoming a volunteer or even a challenge coordinator and push yourself further.

If you want to make a difference contact huu.rag@gmail.com and get involved.

LINKS

"Hull LINKS" is a standing committee within HUU and are partnered with a St John Ambulance student volunteering unit.

We offer free first aid training and the opportunity to become a first aider with St John Ambulance. From there you can progress to Advanced First Aider, Cycle Responder and even Emergency Ambulance Crew. We provide first aid cover to many of the events on campus including weekly Tower nights at Asylum.

Our members also volunteer their time at local events such as football and rugby matches at KCOM Stadium.

To find out more or to join us Contact us at hull-links@sjambulance.org.uk.
