### Minutes from previous meeting- agreed

#### VP W+C

- Students have called me and said they have had significantly less people going through their website looking for houses. Showing that the moving of the housing fair was a good idea.
- Mental health - working with Tina from upstairs to get more students onto the stress control workshops.
- White ribbon money has been transferred over.

#### BAME

- First big debate – went really well – over 40 people
- Talk on Islamphona with Islamic society
- Drinks social with and LGBT+

#### Disabled

- Working with international office to discuss a guild for accessible university for exchange
- New committee members are great
- Looking forward to mental health LGBT+

#### LGBT+

- Intersectional workshops
- Mental health lgbt +
- New plans for the year

#### Women

- Working on lad culture campaign
- Consent workshops should be hopefully ready in January

#### Links

-Our trainee first aiders have their assessment day on Saturday 12th so hopefully we will have a load more first aiders by tomorrow!

-We've started planning our 25th anniversary celebrations which will be occurring next year at some point (possibly April)

-Our treasurer has resigned and we've voted as a committee to dissolve the role (as in St. John

Ambulance it's not a recognised or required role anyway). We'll share the workload of the treasurer between us all.

#### **Actions**

- Training for new elected chairs
- Radar key
