## M1819 – 10 Mandating Hull University Union to Oppose Re-Naming A Larkin Lecture Theatre after Jenni Murray

### HUU Notes:

1. Trans Students attend UoH.
2. We, as a union, are firm in the knowledge that trans identities are legitimate, i.e. Trans women are women, Trans men are men and non-binary identities are fully legitimate.
3. Jenni Murray has been outspoken with the view that trans women aren't women<sup>i ii iii iv</sup>

### HUU Believes:

1. UoH's decision to rename a lecture theatre after Jenni Murray is an abhorrent disregard for all Trans people at this university

### HUU Resolves:

1. HUU should have a firm stance against the change
