

UNION COUNCIL MOTION

M.1819 – 16 Motion to issue statement for Grace Millane

HUU Notes:

1. Today it was confirmed that a former Lincoln University student Grace Millane was murdered whilst travelling in New Zealand.
2. She was part of their hockey team so more than likely competed in varsity last year making this all too close to home.
3. We feel that the Hull University Union should issue a statement of support to the community of Lincoln.
4. All rivalry goes aside when tragedy happens, all that separates us is the Humber.

HUU Resolves

1. Release a statement after the family and Lincoln University have been contacted

Proposer: Maisie Loggie (AU Secretary, Sports Zone)
