

UNION COUNCIL MOTION

Motion to amend SO 4002 to allow 'co' AU Exec positions

HUU Notes:

SO 4002 was amended last year to have four AU Executive Committee positions with the roles filled by application, interview and selection process. We received multiple applications that resulted two outstanding applicants for the 'AU Participation and Inclusivity' position. The decision was taken to offer both of them the role and to share duties between them.

HUU Believes:

This decision was taken by considering, the strength of the applicants and in recognition that the challenge of widening participation in the Athletic Union and making it and its member clubs more inclusive was important enough to warrant two people in the role.

HUU Resolves:

That SO 4002 be amended to the effect that the AU Participation and Inclusivity role become a shared role, with them sharing the vote on Union Council between them as with other 'co' positions.

The amended lines will be as follows:

4. Duties of the membership

(4) Two Co-AU Participation and Inclusivity

- i. To count as one full voting member of Union Council between them.

5a. Selection Process and Criteria

The AU Executive positions (AU Members, AU Sec, two Co-AU P+I, Non-BUCS) will be selected via an application process.
