

UNION COUNCIL MOTION

M.1819 – 9 Amend SO 5005 Governing the LGBT Community

HUU Notes:

1. The current SO includes 9 roles and there is a perception that 2 of the roles (Executive Support Officer and Equality and Inclusivity Officer) don't have anything to do.
2. These roles should go and every member of the committee be responsible for making sure that all events are inclusive.
3. In addition the Campaigns and Publicity officer would become a Publicity Officer as all committee members are responsible for campaigns

HUU Resolves:

1. Amend SO 5005 Governing the LGBT Community to remove the Executive Support Officer and the Equality & Inclusivity Officer from the committee.
2. Every member of the committee is to be responsible for making sure that all events are inclusive.
3. The Campaigns and Publicity officer would become a Publicity Officer as all committee members are responsible for campaigns
