

M.1516-24 Motion to amend the Standing Orders of the Scarborough Executive Committee

HUU notes:

1. The current Scarborough Executive Committee consists of the Education Officer, Welfare Officer, Community Officer, Sports Officer, Campaigns Officer and Equality and Diversity Officer, all of which are voting members of Union Council.
2. The Standing Orders for these roles contain outdated information regarding the duties of each Officer position, with the following motion seeking to make amendments that aim to be fit for purpose for the remaining time Scarborough is part of the University of Hull.
3. Such information includes (but is not limited to): removing references to committees that certain Scarborough Officers would have previously chaired, but no longer exist, determining the timescale for engagement with our members, as well as to which member of staff each Officer would report to (for example, the role of Scarborough Union Manager is no longer present).

HUU Believes:

1. The Standing Orders do not reflect the current work carried out by the Scarborough Exec, therefore these need to be amended.

HUU Resolves:

1. For Union Council to approve the new amendments as appended.
