

M.1516-27 Motion to mandate the VP Sport to increase the promotion of Sports Clubs around campus

HUU Notes:

1. Sports Clubs currently do not have any centralized means of advertising their fixtures and events.
2. HUU and the University should support those events as they are integral to the student experience and are a key part of keeping students in sport.

HUU Believes:

1. All clubs should have the opportunity to promote their fixtures and events on campus to attract more members.

HUU Resolves:

1. To mandate the VP Sport to investigate whether on campus flyering for teams could be allowed in areas of high traffic, and whether the fixture board could be made digital with the support of the university, allowing more access to the library screens for our sports.
2. To mandate the VP Sport to ensure that fixture boards can be put up around campus.
3. To mandate the VP Sport to look into setting up a regular newsletter about Sports fixtures and events.
4. To mandate the VP Sport to investigate whether postering can be allowed anywhere inside University buildings.

Proposer: Gurmok Sanghera

Seconder: Ice Skating, Ice Hockey
