M.1516-28 Motion to mandate the VP Sport to create a permanent travel grant

HUU Notes:

1. There is currently no consistent funding model to support AU Clubs travelling to non-BUCS games.
2. There is currently no consistent funding model to support AU Clubs that have to travel to training facilities outwith the Hull Campus.
3. There are currently no vehicles provided by the Sports Centre or HUU for AU Clubs to use when traveling to other places.

HUU Believes:

1. All clubs should have equal access to a grant to fund their travel to other training facilities and non-BUCS fixtures.

HUU Resolves:

1. To mandate the VP Sport to treat BUCS Sports the same as Non-BUCS sports.
2. To mandate the VP Sport to lobby the University for a larger ring-fenced block grant for sport to pay for travel of our teams.
3. To mandate the VP Sport to help teams fundraise to pay for non-BUCS sports.
4. To mandate the VP Sport to lobby for mini buses to be acquired by the University for our sports teams to use that would be cheaper than renting from Beerhouse.
