M.1516-29 Motion to lobby HUU Commercial Services to provide Check Your Drink strips behind all union bars

HUU Notes:

1. That other universities' unions, such as Liverpool, provide free Check Your Drink strips at all of their union bars.
2. That provision of such strips will reduce the instances of spiked drinks (and the consequences thereof) and increase awareness about the problem of spiked drinks.

HUU Believes:

1. That HUU should do all that it can to better protect its students on nights out and in bars.

HUU Resolves:

1. To **mandate VP Welfare& Community** to lobby commercial services to provide, free of charge, Check Your Drink strips at Asylum, Johnny Mac and Sanctuary, and to ensure that all members of staff promote the safe use of these strips to all individuals, regardless of gender.
