

Environment & Sustainability Officer

Aim

The role aims to represent student interest in the environmental impact of Hull University Students' Union and the University of Hull and the associated sustainability of their practices.

Key responsibilities

- Inform students on issues of environmental impact and sustainability issues locally, regionally and nationally;
- Participate in relevant university and union working groups pertaining to issues of sustainability and environmental impact;
- Organise and run campaigns to lobby for change in practices by Hull University Students' Union and the University of Hull;
- Work towards Hull University Students' Union leading the student union movement in both innovation and participation on environmental and sustainability issues.

Useful skills or characteristics

- Passionate about the environment and sustainability issues
- Have a wide outreach with the student body
- Effective time management
- Be adaptable and communicative
- Good organisational skills
- Creativity

Skills you can expect to learn and develop

- General communication and liaison skills
- Experience organising events and running campaigns
- Representation and lobbying for change
- Confidence in speaking in forums and meetings

Average time commitment

On average volunteers spend between 6-8 hours a week on this role. Some weeks may have more hours than others.

Further questions

Please email the President of the Students' Union hull-president@hull.ac.uk if you have any questions about the role.
