

Student Trustee Candidate:

Lee Pearson

Manifesto

Hi, my name is Lee Pearson I currently hold the part-time Scrutiny Officer for the 'Education Zone Committee' my main duties within this role consisted of working with the rest of the zone team to further improve the student experience and the faculties on campus. The main purpose of my role was to make sure that the zone and the president is on track in order to completion of any aims and objectives which have been set at the start of the academic year, whilst also completing other issues which have further developed either through Union Council or from other forums such as staff and student forum, Course rep meetings or survey distribution.

During my time at college I was the Student Union President for the Hull College Group, which consisted of campuses located within Harrogate and Goole. As a subsection of the president role I was also a member of the Governing body between the years 2015/16. Within this role I held a position on a vast range of different meetings one including the finance and Estate committee. I have gathered and gained skills which I want to use on your behalf to help shape the Union further. Furthermore, I was also in charge in managing a large budget.

I have thoroughly enjoyed my time within the education zone committee. We have achieved so much this year is unbelievable and want to help continue influence the student experience.
