# #HUMBERGAMES20

Welcome to The Humber Games 2020. The annual Varsity event is a chance for students from the University of Hull and the University of Lincoln to compete in one of the biggest sporting competitions of the year and be in with a chance to take home the Varsity trophy and winner's title.

"Through heading up Hull University Union's Athletic Union, working with all the sports teams throughout the year and having taken part in Varsity for the last 4 years, I know how much we all look forward to Varsity every year. It's a chance for individual clubs to come together and compete as one side for the win.

This programme is your guide to lots of info - including locations, timings and the After Party in Asylum.

Good luck to everyone competing and, if you see me around, say hello!"
